

Sponsor Packages for the 1st Annual Conference of Thailand Society of Human Genetics 17-18 February 2022, Pullman King Power Bangkok

The Thailand Society of Human Genetics will host the 1st Annual Conference of Thailand Society of Human Genetics 2021 in the theme of “The beginning of Genomics Thailand” reflecting the importance of the national strategic project aiming at driving Thailand towards genomics medicine to improve healthcare.

The event will take place at Infinity Ballroom, Pullman King Power Hotel, Bangkok during September 17-18 February 2022. This is a hybrid meeting with target 200 participants onsite with simultaneous online session. Targeted participants are professionals in healthcare with focuses in clinical genomics, medical genetics, human genetics and translational medicine. Also, renowned clinical geneticist, researchers, health policy makers and key influencers in the fields of medicine and healthcare are invited as speakers.

Multiple sponsor packages are available with privileges and benefits as outlined in the following table. Availability will be on the basis of first-come first-serve.
